

The Pilgrim's Progress

John Bunyan

a Librivox full-cast production

The Pilgrim's Progress by John Bunyan Dramatic Version

Probably the most famous allegory ever written of the Christian life, *The Pilgrim's Progress* follows the journey of Christian from his first encounter with the Evangelist, through his trials and doubts and as he meets various people who help and hinder him in his journey towards the Celestial City to meet his King. Part 2 follows the journey of Christian's wife and sons as they follow him along the same path past the Slough of Despond, the Castle Despair and Vanity Fair. This version was edited in 1909 by the Rev. Jesse Lyman Hurlbut to update some of the more archaic language and streamline the theological arguments to make them more accessible to lay readers. Dramatized with voices to distinguish the main characters, we hope to make this classic accessible to people of all ages. (Summary by Beth Thomas)
Total running time: 09:47:59

Narrator: neustar
Christian: Elizabby
Christiana: JoFriday
Mercy: WoollyBee
Faithful: gloriousjob
